

## **Dunbar Cave State Natural Area**

# **Beyond BOW Birding Workshop**

**Saturday, May 12, 2007**

**9 am – 3 pm**

**Workshop Fee \$20**

**(Make checks payable to Dunbar Cave State Natural Area)**

If you are 18 years or older and have an interest in learning and identifying by sight and sound the variety of birds found in Middle Tennessee, this workshop is for you! This Beyond BOW workshop, part of the *Becoming an Outdoors-Woman* program, is being offered by the Tennessee Wildlife Resources Agency and Dunbar Cave State Natural Area.

We will start the day by spending time in the classroom viewing slides of birds and listening to their vocalizations. Next, we will take a bird walk through a variety of habitats and identify birds by sight and sound. You are encouraged to bring binoculars for the walk and we will have a limited number of loaner binoculars available. We will also be banding birds by setting up mist nets. By capturing, banding and releasing birds, we gather valuable data that helps us better understand neo-tropical migrant birds. After lunch, which is included with your registration fee, there will be a backyard habitat class which will provide you with a packet of information on how you can attract and create the habitat necessary for attracting birds.

**Space is limited so don't miss your chance!**
